Jo Anne Graham, Coordinator, School Support, Ardmore City Schools

Lois Howard, Director, School Support, Bartlesville Public Schools

Purpose: To provide technical assistance to local educational agencies and schoolwide program sites in completing an annual program review and schoolwide plan update to ensure that compliance requirements for operating Title I schoolwide programs are being followed.

Participants: Superintendents, Title I directors, principals, and Title I schoolwide program team members

## **What Educators Need To Know About How To Support Youth In Military Families**

Thursday, April 8, 2010

1:30 – 3:30 p.m.

**Presenters:** Gayle Jones, Safe and Drug-Free Schools Coordinator  
Michelle D. Sherman, Ph.D., OKC VAMC, OUHSC Dept of Psychiatry, and author of books for teens dealing with parental deployment, trauma, and mental illness (www.SeedsofHopeBooks.com)

**Purpose:** To date, over one million children have had a parent deployed to the wars in Iraq and Afghanistan. This videoconference will provide information on the experience and needs of military youth, including discussion of the effects of parental deployment and trauma on children. Tips on how educators can support military youth and their families will be reviewed. A practical resource list will also be provided.

**Participants:** Superintendents, principals, counselors, school nurses, school board members, safe school committee members, and parents

## **Prescription Drug Abuse Awareness Week: “Steroid Access And abuse In Athletics”**

Friday, April 16, 2010

1:30 – 3:30 p.m.

**Presenters:** Gayle Jones, Director, Title IV, Safe and Drug-Free Schools  
Brian Surber, Agent, Oklahoma Bureau of Narcotics  
Joe Castiglione, OU Athletic Director  
Mike Holder, OSU Athletic Director  
Pat Jones, Former OSU Football Coach  
Bob Stoops, OU Football Coach  
Dr. William Yarborough, Sports medicine/Steroid expert

**Purpose:** This presentation will give participants information on the use and abuse of steroids (performance enhancing drugs) in Junior and Senior High athletics and personal body-building. Questions and discussion on current trends, signs and symptoms of steroid use and abuse are welcome. Information pertinent to schools and prevention and intervention strategies will be discussed.

**Participants:** Superintendents, principals, Title IV coordinators, counselors, school resource officers, school board members, support staff, and other interested community members, with specific emphasis on Junior and Senior High Athletic Directors and coaches
